The map shows the area around Maibara Station (彦根駅) and the surrounding region. The evacuation route (red line) starts from the station and goes towards the coast. The return route (blue line) starts from the coast and goes back to the station. The map includes a compass rose and a legend. The legend indicates that the red line represents the evacuation route and the blue line represents the return route. The map also shows various roads, rivers, and buildings. The evacuation route is highlighted in red, and the return route is highlighted in blue.
